REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or suggest a collapsible table comprising a frame formed from a plurality of pivotally connected frame members, the frame being movable between an expanded configuration and a collapsed configuration, a table top connected to the frame, the table top including at least one drink holder, a container assembly having a flange portion provided with mounting holes, and a container pouch, the flange extending from the container pouch toward and encompassing the mounting holes, the container assembly is connected to the frame at a position beneath the table top by the plurality of frame members being inserted through the mounting holes. The prior art such as the patents to Brickman does not teach a container assembly that includes a flange with mounting holes as positioned as claimed and connected to the frame beneath the top by a plurality of frames inserted through the holes.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
